**BRITE SHINE STAINLESS STEEL POLISH & CLEANER WIPES**

Specially formulated to quickly clean and polish all stainless steel surfaces.

Contains a unique citrus-based formulation that reduces oxidation and corrosion. Pleasant citrus smell.

Removes hard water stains and deposits, grease smudges, food residue and fingerprint smudges from virtually any stainless steel surface. While cleaning this formula also brightens, polishes and protects the surface with a clear coating that acts as a protective shield.

This citrus-based formula can also be used to clean other surfaces such as wood, formica, ceramic and porcelain. Removes stains, polishes and brightens these surfaces to revitalize them and keep them looking great.

This new generation towel is 200% stronger than other towels. Abrasive surface quickly cleans and shines without affecting surface being cleaned.

~~Flip towel over for softer surface for additional polishing~~

**DIRECTIONS FOR DISPENSING:**

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at a 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

**DIRECTIONS:** Scrub surface with abrasive side of towel until stains and deposits disappear. Use the smooth side to wipe the surface clean. Discard used towel. For a super shine, buff lightly with a soft towel after application.
